

**Fiscal Year 2007 Priority List for Drinking Water Grants**

Rank	Project	FY 2007 Rating	PWS	POP	Regional Office	DEQ Est. Grant Amt.	Project Description
1	Grand View Water and Sewer Association	209	ID3370010	470	BRO	\$21,072	Arsenic abatement.
2	Country Club 3 Subdivision	207	ID3140022	28	BRO	\$10,000	Nitrate abatement, source development.
3	Warm Lake Recreational Water District	206	ID4430054	72	BRO	\$12,500	Surface water treatment violations, source development, system upgrades.
4	Shari Hills Estates Property Owners Association	205	ID3370034	30	BRO	\$22,500	Arsenic and uranium abatement.
5	City of Newdale	205	ID7220047	360	IFRO	\$25,000	Evaluate options for arsenic removal and how to comply with a DEQ compliance schedule for water treatment.
6	Loma Linda Water Corporation	199	ID3380007	70	BRO	\$17,500	Arsenic abatement.
7	East Lizard Butte Water Corporation	197	ID3140042	55	BRO	\$10,000	Arsenic abatement.
8	Country Club 2 Subdivision	197	ID3140021	35	BRO	\$10,000	Nitrate abatement, source development.
9	City of Weiser	195	ID3440011	5343	BRO	\$15,000	Arsenic abatement and storage.
10	Lava Mobile Estates	120	ID6030032	50	PRO	\$5,813	Arsenic abatement and distribution system improvements are needed
11	Yellow Pine Water Users, Inc.	165	ID4430059	75	BRO	\$7,500	Evaluate alternatives to replace sand filter, add storage capacity and sufficient contact time.
12	Clearwater Water District	109	ID2250011	100	LRO	\$10,000	Evaluate options to amend and reconstruct the existing water filter to meet turbidity standards.
13	City of American Falls	108	ID6390001	3985	PRO	\$10,000	Evaluate alternatives to upgrade and expand distribution system, determine capacity of booster pump station, arsenic abatement and source development.
14	Riverbend Estates	107	ID6390018	92	PRO	\$5,380	Arsenic abatement
15	City of Twin Falls	105	ID5420058	38314	TWF	\$50,000	System is not in compliance with the 2006 Arsenic rule and is planning to complete the existing report for SRF loan program use.
16	Elm Park Water System	101	ID5420020	400	TWF	\$15,000	Step 1 Planning Project – System is planning to install POU treatment for compliance with the 2006 Arsenic rule.
17	Rock Creek Mobile Home Park	99	ID5420024	180	TWF	\$15,000	System is planning to consolidate with city of Twin Falls and is not in compliance with Arsenic Rule.
18	City of Ririe	70	ID7260034	536	IFRO	\$45,000	Evaluate options for increasing capacity and providing backup source.
19	City of Shelley	68	ID6060071	3956	PRO	\$25,000	Evaluate alternatives to repair/replace damaged well and to expand capacity of source and storage due to increase in growth
20	North Pinehaven Water Association	66	ID7220112	55	IFRO	\$20,000	Evaluate options to correct low system pressure and occasional bacterial contamination.

21	Whitney/Nashville	60	ID6210020	400	PRO	\$20,000	Evaluate options to recondition and reconstruct spring to increase source capacity and decrease system pumping requirements.
22	City of Tensed	55	ID1050026	126	CRO	\$7,500	Evaluate options for improving low pressure areas, eliminating total coliform contamination problems and constructing a well house.
23	Meadows Park Water Users Association	54	ID3020011	26	BRO	\$4,000	Source development, system upgrades (bacterial contamination).
24	City of Nampa	47	ID3140080	75000	BRO	\$40,000	Storage, fire protection.
25	City of Nezperce	46	ID2310005	530	LRO	\$10,000	Develop facility plan to provide alternatives to replace/repair leaking distribution system.
26	City of Winchester	44	ID2310007	308	LRO	\$10,000	Prepare a study to look at alternatives for inadequate storage and low pressure in some parts of the city.
27	City of Tetonia	43	ID7410012	248	IFRO	\$15,000	Evaluate options for source development to provide a backup system.
28	City of Soda Springs	39	ID6150017	3299	PRO	\$25,000	Develop planning study to address treatment and distribution system upgrades.
29	City of Council	38	ID3020002	816	BRO	\$25,000	Update master plan.
30	City of Worley	35	ID1280206	400	CRO	\$7,500	Evaluate options for repairing a leaking storage reservoir, replacing portions of the distribution system and planning for growth.
31	City of Kimberly	33	ID5420033	2700	TWF	\$30,000	System has undersized mains and is experiencing rapid growth.
32	City of Driggs	31	ID7410004	1500	IFRO	\$20,000	Update old facility plan to better handle increasing growth and demands on system.
33	Santa W&S District	28	ID1050023	150	CRO	\$10,000	Evaluate options for bringing a 2nd well on-line, upgrading the distribution system and metering.
34	Rockford Bay Summer Homes Water	26	ID1280158	50	CRO	\$10,000	Evaluate options to improve old and unreliable distribution system and inadequate storage.
35	City of Moyie Springs	26	ID1110021	656	CRO	\$10,000	Evaluate options for providing improved fire protection through increasing source capacity and storage.
36	City of Midvale	25	ID3440007	114	BRO	\$17,052	Evaluate alternatives to provide system improvements
37	City of Richfield	20	ID5320005	429	TWF	\$20,000	System has undersized mains and is experiencing increased growth.
38	Cold Springs Water System	18	ID5070015	500	TWF	\$15,000	System is experiencing problems with pressure and capacity.
39	Northside Water User's Assoc. Inc.	4	ID1090090	350	CRO	\$5,000	Evaluate options to provide service to area cutoff by highway.

**WARNING: USE OF THIS LIST AS A MAILING LIST OR AS A TELEPHONE NUMBER LIST IS PROHIBITED BY IDAHO CODE SECTION 9-348 AND IS PUNISHABLE BY A CIVIL PENALTY OF UP TO \$1,000.**
